Please email the completed form to a1ashipping@aol.com to receive a quote within 1-2 business days. Quotes are valid for 7 days. A 50% deposit is required before we can order pickup or packing services, and full payment is due 72 hours before shipping or once the shipment is scheduled. Payments may be made by phone during business hours or by mailing a check. Estimates are based on the information provided; pricing may change if item count, weight, dimensions, or other details differ; any additional charges are customer's responsibility, and we will notify you of changes before completing the job. This is an estimate only, does not include duties, taxes, customs fees, or insurance. A1A Shipping arranges transportation and will email carrier details, tracking, and estimated delivery dates once scheduled. A1A Shipping is not responsible for losses, damage to products or containers. Carriers are currently experiencing delays due to staffing and operational issues, and transit times may be longer than normal, times are estimates, exclude weekends and holidays, and begin the next business day after pickup; extra services such as appointments, lift-gate, residential delivery, or weather delays may add additional days. Carriers will not pay claims under \$100, and deductibles apply as follows: \$500 for new general merchandise, \$1,000 for used general merchandise, \$750 for household goods, 3% of insured value (minimum \$1,000) for fragile goods, and \$2,500 for frozen or refrigerated items. Longer-transit carriers may take extra days to pick up, make more stops, and handle freight more often, increasing the chance of delays or damage, while shorter-transit carriers generally provide better overall service. Customer consents and agrees to all terms and conditions.
